Kuraray Poval™

**Isoprene Chemicals
Division**

Kuraray is back at **SEPAWA Congress**, one of Europe's leading events for the detergents, cleaners, cosmetics, and fragrance industries. The congress takes place in **Berlin from October 15–17, 2025**, bringing together thought leaders, innovators, and industry experts from across the globe.

Each year, the event offers a platform for knowledge sharing, collaboration, and discovering new opportunities to advance the industry.

Stop by **booth C471-487** to meet our experts from MonoSol, KURARAY POVAL™, and the Isoprene Chemicals Division. They will be available to share insights, answer questions and support your success.

Join us at SEPAWA and discover how Kuraray can help shape the future of home and personal care innovation.
