Title: "Deep Dive: Advancing Sustainability in Packaging with Innovative High Barrier Paper-Based Solutions."

Presenter: Hiroki Kinumura and Vitor Godoy

The **TAPPICon 2025** conference is soon approaching and is a must-attend event for those interested in paper and packaging innovations.

The event will be held from May 4–7, 2025, at the Minneapolis Convention Center, MN. This year, Kuraray will present exciting advancements in high-barrier paper-based solutions.

We invite you to attend the presentation by Vitor Godoy and Hiroki Kinumura on May 5 at 5:15 PM (CT), titled "Deep Dive: Advancing Sustainability in Packaging with Innovative High Barrier Paper-Based Solutions." They will explore how PVOH-coated papers can make a real difference in advancing sustainable packaging.

We also invite you to visit our **booth (#213)**, there is much to discover, and we look forward to your participation.
